Dear Senator Seabaugh:

I am writing on behalf of NRA's tens-of-thousands of members in Georgia to state that NRA fully supports Senate Bill 308, with the adoption of Amendment 29 0865. I greatly appreciate your help with promoting this critical legislation, but want to specifically thank you for your efforts regarding this amendment.

As you know, SB 308—along with AM 29 0865—represents a dramatic improvement to Georgia's laws regulating the concealed carrying of firearms by law-abiding citizens. This legislation expands where license holders may lawfully carry their firearms and has the potential to expand the number of states that will recognize a Georgia license. These improvements, as well as others contained in this legislation, are advancements that NRA and its Georgia members proudly support.

Again, I thank you for all of your hard work on this legislation. Please do not hesitate letting me know if there is anything I can do to further assist with the passage of SB 308 and AM 29 0865. I can be reached at [REDACTED] or [REDACTED]

Sincerely,

Randy Kozuch
